Principal's Message

Good Afternoon, Marauders.

Tonight, we celebrate our Football, Cheer, and Band/Color Guard seniors at the final home Football game of the regular season. We hope you will join us as we celebrate this wonderful seniors. Gates open at 5:45, with Kick-Off at 7PM. This is also a great opportunity to see the Sapphire Sound perform their incredible Field Performance - you don't want to miss it!

Reminder: Students are not permitted to bring bags to the Football Game. There will NOT be a bag check. A small clutch (smaller than 5x7) is allowed but is subject to search.

If you haven't already, please be sure to complete/submit the LCFF Data Collection and Federal Survey documents. These are of vital importance and we appreciate your help.

Is your student interested in going through the process of becoming CPR certified? We may have an opportunity for students to go through the process for free! Please have your student email Mrs. Courtney at acourtney@sandi.net so we can gauge student interest.

Every year, we are instructed to share the following documents with our stakeholders:

[School Family Compact](#) // [Family Engagement Policy](#) // [District Family Engagement Policy](#)

Have a great weekend.

Good Afternoon Mira Mesa High families,

Public schools throughout California are required to provide information about themselves to the community in the form of an annual School Accountability Report Card (SARC). These report cards provide a variety of data to allow the public to evaluate and compare schools in several important areas:

- demographic information
- school safety and climate for learning
- academic data
- class size
- teacher and staff information
- professional development
- fiscal and expenditure data
-

The SARC, which follows the state's guidelines and document template, are issued each spring and focus on the previous academic year. A SARC is typically 12- 14 pages long. I have attached an electronic copy of our site's SARC for the 2021-22 school year. Hard copies of our SARC are also available in the main office.

The 2021-22 SARC is available at <https://www.sarconline.org>. You can also access our current SARC electronically at: <https://sarconline.org/public/print/37683383730181/2021-2022>

If you have any questions about our school's SARC, please don't hesitate to contact me.

Respectfully,

Jeff Sabins
Principal

Finally, STUDENTS OF MIRA MESA, if you would like to be featured on the mmhs.asb page, or if you know of anyone who would like to be. DM us on Instagram @mmhs.asb to be our next MARAUDER in the spotlight!

Regards,
Koda Keopithoune and Indra Sai, your MASB Presidents

WHAT'S GOING ON WITH THE *MIRA MESA EPICENTRE?*

To date, more than 1000 surveys have been collected from Mira Mesa residents, representing more than 20 stakeholder groups from students to local businesses. According to this feedback, there is a community desire for a public multi-purpose center, and the County of San Diego has developed a design plan for this facility to match the current and future needs of the Mira Mesa community, with options for everyone and a focus on youth.
