Principal's Message

Good Afternoon, Marauders.

URGENT: *Please review this drop-off/pick-up information and share with your friends/family. We don't want to close off the lot, but we may have to if the heavy drop-off/pick-up traffic continues.*

Please do not drop-off/pick-up in the small lot near the flag pole/office. The lanes need to be kept clear so students and staff with disabilities/injuries can access the accessible routes, for emergency response vehicles to access campus, and for those going to the office for appointments/meetings. Do not park in the red zone or along the blue fence line. Thank you for your patience and understanding as we work through this construction project.

As you know, many in our San Diego community were impacted by the flooding during the recent storms. We are collecting items for the SDUSD Shelters. Items can be delivered to the MMHS Office. We will deliver them on Wednesday, February 7th. More info on the included flyer.

There is another M6 (Saturday School) session scheduled for tomorrow - please encourage your student to attend if they need support in any of their classes or if they need to clear absences/tardies. Student **MUST** arrive by 8:15 so they can check-in and make it to class on time. Students will **NOT** be admitted after the bell rings at 8:30AM and students **MUST** stay until 12:30PM. If you have any questions about Saturday School, please email Mrs. Hight (chight@sandi.net) or Mrs. Shortill (bshortill@sandi.net).

Tardies, especially for Period 1, continue to be an issue at MMHS. Please encourage your student to be on campus by the time the 8:28 passing period bell rings and then to make it to class before it begins at 8:35. In addition, please remind your student to make it to every class on time. We have a 2-minute "warning tone" that notifies students that they have 2 minutes to get to class.

Thank you.
Principal Sabins

MIRAMAR COLLEGE WORKSHOPS

Miramar staff will be on campus to host a series of workshops to guide our seniors planning to attend Miramar College through the enrollment process. See the flier at the end of the Mask for dates and a QR code for your child to sign up to attend. Each session is different, so we strongly encourage seniors to attend all three workshops if possible. Contact Mrs. Blum (mblum@sandi.net) or Mrs. Morales (jmorales4@sandi.net) if you have questions.

SUMMER SCHOOL

Summer school is from June 12th-July 12th. Due to construction on campus, we are not able to host, and the closest site to MMHS is Scripps Ranch HS. There are variety of options for summer school such as making up D/F grades, taking Integrated Math and Spanish classes as first time credit, CCTE classes for first time credit, and an internship for students interested in a teaching career. Counselors will automatically enroll students who need to make up D or F grades. If your child is interested in the other summer school opportunities, check out the [Summer School](#) page on the Counseling website about how to sign up.

FINANCIAL AID APPLICATION WORKSHOPS

We have extended the financial aid application workshops through February each Tuesday and Thursday at lunch in the upper library. For seniors who are submitting the FAFSA, the workshops will be more productive if they create their FSA ID prior to attending the workshop because they need to know their social security number to create an FSA ID. <https://studentaid.gov/fsa-id/create-account/launch>
