ATTENDANCE REGULATIONS:

Attendance Office: (858) 566-2262

Extension 2206 (message line only to report absences)

mmhsattendance@sandi.net (email address to report absences)

Extension 2268 (last names A-L), Extension 2269 (last names M-Z)

It is the student's responsibility to clear absences in the Main Office with the attendance secretaries. Absences can be cleared as follows:

- Handwritten notes from parent/guardian can be dropped off at the Attendance Office before the school day begins once the student returns to school.
- Parent/Guardian can send an email to mmhsattendance@sandi.net reporting the absence.
- Parent/guardian can leave a message at Extension 2206 reporting the absence.

Note:

- After 72 hours, absences will no longer be cleared (even with notes) and will have to be made up in detention or M6.
- Absences for serious illness will require a doctor's note clearing students to return to class.
- PowerSchool auto-dialer messages will go home each day reporting any absences.
- Attendance codes are explained in detail in the district's [Facts for Parents](#).

EXCESSIVE ABSENCES DUE TO ILLNESS:

For students whose absences are excessive (10% or more) and reported as illness, written verification of illness - including diagnosis and specific illness date(s) - must be provided by your child's doctor or dentist who is licensed in California. If the student has an underlying health condition, the nurse needs to be notified to assist the parent with meeting the student's needs at school. The nurse is available in the Health Office located in the Main Office building.

HEALTH OFFICE: (858) 566-2262, Extension 2208

If a student becomes ill during the school day, he/she must obtain a pass from the teacher and go directly to the Health Office located in the Main Office building. Students are to contact their parent or guardian from the Health Office for safety issues and accurate communication. Students are not to text or call from the classroom, restroom, or other locations on campus.

If a student has a medical condition that requires support from the school, the nurse needs to be notified so accommodations can be made. Students cannot carry medication on them. All medication (except asthma inhalers) must be left in the Health Office. Please stop by the Health Office to pick up a physician's medication form/asthma action form.

OBTAINING PERMISSION TO LEAVE CAMPUS:

A blue slip is required to leave the school grounds at any time during the school day. Students must bring a note to the Attendance Office before school on the morning of the appointment to obtain a blue slip. Routine medical and dental appointments should be made after school hours.

OUT OF CLASS PASSES:

1. If a student is out of class without a pass he/she may be considered truant and will be disciplined accordingly.
2. Every teacher has a clipboard bathroom pass. Students leaving the classroom must carry the pass with the teacher's permission. One student at a time is to be out of class with the clipboard pass.
3. Students summoned by the office can leave class with the attendance, counseling, or administrative pass sent to the student.
4. Students going to the Health Office or Media Center for extended periods of time have a separate pass since, depending on their circumstances, students may not be returning to the class.

CHANGE OF INFORMATION:

If your last name, street address, telephone number, email, or parent/guardian changes at any time during the school year, please notify the attendance clerks immediately.

STUDENT MESSAGES AND DELIVERIES:

Messages of a non-emergency nature (i.e. running late, no ride, etc.) or deliveries (i.e. balloons, flowers, lunches, phones, etc.) will not be delivered to students. Food deliveries (including fast food) from parents, friends, and families, even at lunch, are not permitted.

PARENT COMMUNICATION:

PowerSchool provides access for parents and students to view student attendance, grades, and schedules. If a student is new, or has lost their login information, they need to see Shirley Lemmon ext 2181 (located in the Counseling Office) for access.

TARDY POLICY:

Students with un-cleared tardies may not be allowed to participate in specific activities, i.e. dances, senior activities, etc. Students will have citizenship grades lowered due to excessive tardiness. Each teacher will post online and/or provide students a copy of their course syllabus which reviews classroom expectations, citizenship rubric, and course requirements.

The Attendance Office will not accept parents' excuses for tardiness other than those of a medical or legal reason. Oversleeping, transportation problems, or personal excuses cannot be accepted. Students arriving late to school should report immediately to the Attendance Office to sign in.

TRUANCY POLICY:

Leaving school grounds without a blue slip is a truancy which cannot be cleared. Student access to the parking lot is limited to before and after school. Going to the parking lot during school hours is considered truancy. Multiple period and/or all day unexcused absences will result in assigning M6 by the Counselor, Dean of Students, Vice Principal, or Principal. Students with un-cleared absences may be unable to participate in specified school activities for the semester in which they occur.

DETENTION:

Teachers assign and record detention for tardy and/or discipline problems in a class. When tardiness becomes excessive (4 or more in a six-week grading period), teachers will write a referral and alert the student's counselor, the Dean of Students and the student's Vice Principal progressively.

Citizenship Rubric:

There are various rubrics that are available to the teachers, and the rubric the teacher has selected will be represented in his/her syllabus. If the teacher has not selected a rubric from the following three, they must create their own and have the rubric approved by administration. Once again, the rubric that was chosen by the teacher can be found in the course syllabus. The three rubrics that a teacher may select are the following:

M6 formally (Saturday School):

Students may be assigned M6 for not attending assigned detentions, for earning a referral, for discipline reasons, or for being caught off campus (truancy). If a student does not serve a M6 when assigned, the student will be referred to the Dean of Students for a parent conference and further disciplinary action including possible suspension.

In order to receive credit for attending M6 the following conditions must be met:

1. Students must report ontime at 7:55 a.m. for M6 with school work or a book to read. **Please check the [online calendar](#) to view current M6 dates.**
2. No commitments should prevent attendance unless cleared by the Dean of Students or Vice Principal.
3. Parents must notify the school if illness prevented the student from attending. In such cases the M6 will be rescheduled once.
4. Students must exhibit good behavior while attending M6.
5. Students must follow the supervising teacher's instructions.

M6 TUTORIAL:

All students may sign up for M6 Tutorial. During M6 Tutorial teachers are available to help any student.

DISCIPLINE POLICY:

COUNSELING DEPARTMENT:

Counseling Office: (858) 566-2262, Extension 2211

Hours: 7:15 AM – 3:00 PM

The San Diego Unified School District's Counseling and Guidance Program supports teaching and learning by assuring that all students achieve academic success and develop life skills through the acquisition of academic, career, and personal/social competencies, which will prepare them for meaningful participation in a diverse, changing world.

STEPS TO SEE A COUNSELOR:

1. Student fills out a "Request to See Your Counselor" form.
2. Student will be called into the Counseling Office as soon as possible.
3. Student must sign "in" and "out" at the Counseling Office.

CLASS CHANGE POLICY:

If students feel they are in an incorrect course level, changes must be made prior to the first day of school. No student-initiated program/level changes will be made after this date.

COUNSELOR AVAILABILITY:

Counselors are available for STUDENTS on a drop-in basis before school and after school. If a student would like to make an appointment with a counselor during class time they may do so through the "request to see counselor forms" located on counseling front counter. PARENTS may make an appointment to see their counselor by contacting student's individual counselor by phone or email. We would prefer that your student attend the appointment with you, however, we realize there may be times when you want to meet with us privately.

GRADE QUESTIONS OR CONCERNS:

The classroom teacher should always be your primary point of contact at MMHS with regard to your student's grade.

A student struggling to understand concepts should check with their teachers to see when they offer tutoring. The teacher is the main person who sees the student engaged in the subject matter on a daily basis. Teachers are adept at advising students how to improve performance in class.

Additionally, families have access to assignments/test scores, grade and attendance information online through PowerSchool, the student information system. See Shirley Lemmon to obtain your access codes.

GRADUATION INFORMATION

CREDITS:

To earn a diploma, students must complete a minimum of 44 semester credits. Students are expected to meet California standards in English, mathematics, science, history/social science, fine and practical arts, and physical education, as well as the [UC/CSU "A-G" course requirements](#).

To get a complete list of required courses for graduation, please reference the SDUSD website at: <https://www.sandiegounified.org/credit-requirements-2016-and-beyond>

GRADE POINT AVERAGE (GPA):

An overall 9th – 12th grade GPA of 2.0 or higher is required to graduate. The GPA is computed on the basis of: A=4, B=3, C=2, D=1, F=0.

A GPA of 2.0 in both scholarship and citizenship is required for participation in many extracurricular activities, including interscholastic athletics.

WEIGHTED GRADE POINT AVERAGE:

Only Advanced Placement and some honors courses will be given a weighted GPA for high school graduation (i.e. A=5). AP students are no longer required to take the AP exam to receive a weighted grade.

DIPLOMA WITH ACADEMIC DISTINCTION:

Option 1: Student must earn a GPA of 3.5 or higher for all courses taken in grades 10, 11, and the first semester of grade 12.

Option 2: Student must meet the following three requirements:

1. Grades 9-12: 2 years of Science and Foreign Language. Requirements may be met prior to grade 9 if courses are equivalent to those offered in grades 9-12.
2. Grades 10-12: 14 semester credits with grades A or B in specific selected courses.
3. Four of the required 14 semester credits must be earned in grade 12.

If you have any questions, or for a list of selected courses, please see the Registrar.

The Board of Education awards high school diplomas inscribed "With Academic Distinction" to students whose achievements have been outstanding. Only those students who have attended a district high school for their entire senior year and met all other requirements are eligible for this diploma. Students who have attended high schools in other school districts for all or part of grades 10 and 11 may qualify for this recognition if their academic performance in the San Diego Unified School District merits consideration. The high school principal is responsible for evaluating courses taken outside the district. To check eligibility and requirements for this diploma, please reference <https://www.classic.sandi.net/DAR/CourseOfStudy/StateMandates/DiplomawAD.asp>

Advanced Placement (AP) Diploma

After meeting the requirements of SDUSD and the AP Capstone program students are awarded the College Board's Advanced Placement Diploma. In order to receive a diploma, AP Capstone requires all students receive passing scores in year-one (AP Seminar), year-two (AP Research), and to have passed four additional AP tests with a three or better.

Seal of Biliteracy

The High School Seal of Biliteracy is awarded upon attainment of a high level of proficiency in two or more languages. The Seal of Biliteracy highlights individuals with multilingual and multicultural competence to potential employers and provides universities with a method of identifying and giving credit to applicants with high levels of proficiency in a second language. To see eligibility requirements, please visit:

http://sealofbiliteracy.org/sites/default/files/resource_docs/San%20Diego%20HighSchoolSealofBiliteracyApril13_0.pdf

REGISTRAR: (858) 566-2262, Extension 2216

The Registrar is located in the Counseling Office. The Registrar maintains students' records of grades, credits, class standing, GPA, and sends transcripts to colleges (upon official request).

COMMUNITY SERVICE:

Community service requirements for college admissions should be carefully reviewed. While it is not a requirement for high school graduation, it is strongly recommended for acceptance into many colleges and universities.

CITIZENSHIP:

Every student is expected to follow the MMHS citizenship policy. Citizenship grades are issued every 6 weeks and start fresh at the beginning of every grading period. The maximum possible citizenship grade will be determined by attendance. The following four criteria are used to determine whether or not the citizenship grade will be further reduced: participates in learning, follows classroom rules, displays on task behaviors, and is respectful of others. The Citizenship Grading Rubric is in all teacher syllabi. To calculate the 6 week citizenship average use E=4.0, G=3.0, S=2.0, N=1.0 and U=0.0 points.

Appropriate clothing is vital to the success of our school in order to create a community that maintains a focus on our ultimate goal, learning. In addition, our intention is to keep all students safe and healthy so they can have all the educational opportunities needed in developing a professional, collegiate, and career ready mindset.

In order to achieve these goals, all students must wear:

- A Shirt (material must cover the front and back of students torso and under the arms) AND

- Repeat violators will be subject to increased disciplinary action.

TEACHING ABOUT CONSENT + SEXUAL HARASSMENT: A STEP BEYOND DRESS CODE

Schools have a role to play in setting clear anti-harassment policies and in teaching curricula that promote positive messages about consent-only sexual activity.

Consent: Schools should teach all students — and administrators and teachers — about consent (no means no) so there is a clear message that individual students are responsible for their own actions and that consent is a must before any sexual or other physical contact.

Sexual Harassment: Schools should have clear and well publicized anti-sexual harassment policies for students and staff. Schools should educate students and staff to not engage in sexual harassment and to recognize what it is and how to address it.

SKATEBOARDS, SCOOTERS, BIKES, ROLLER BLADES, ETC:

The use or riding of skateboards, scooters, bikes, or roller blades is strictly prohibited on campus and will not be allowed. Violation of this rule will result in confiscation of the object and appropriate disciplinary action. ACADEMIC HONESTY POLICY

A classroom is a place where all students have the right to an education, the right to feel comfortable, and the right to be treated with respect. Academic honesty is an extremely important factor in maintaining an educational environment which is fair, open and preserves the dignity of all students. Each student is responsible for helping to keep this environment intact. Academic honesty does not simply involve "not cheating", and it is not merely a personal matter. It involves the trust and respect of the teacher as well as that of every student in the class. A violation of the trust and respect of the teacher and fellow classmates is a very serious matter.

Academic Dishonesty includes the following offenses:

CHEATING ON TESTS AND ASSIGNMENTS: Any unauthorized use of technology, intentional giving, or using, of outside assistance related to an examination, test, or quiz without permission from the teacher (including misuse of technology). A student guilty of dishonesty such as requesting, giving, or receiving information on an examination, quiz, or assignment designed as an individual rather than collaborative effort will receive a zero on that work. That zero will be averaged into the student's academic grade. Citizenship grade will be lowered as determined by the teacher.

FABRICATION: Any falsification or intentional invention of data, sources, or other authority in an academic exercise. If a student falsifies data or sources, the student will receive a zero on the academic assignment. That zero will be averaged into the student's academic grade. Citizenship grade will be lowered as determined by the teacher.

UNAUTHORIZED COLLABORATION (Sharing Work, Copying): Any collaboration between a student and another person at times or in ways which are not permitted. Any student who contributes to an incident of Academic Dishonesty may have their academic and citizenship grade lowered. In serious cases, removal from the class may be warranted by the administration

PLAGIARISM: Any intentional use of another person's ideas, words, or work as one's own, as determined by the teacher. Plagiarism includes the misuse of published material, material generated by technology, self-plagiarism or the work of another student. Staff members observing an act of plagiarism will confiscate the work and notify the appropriate teachers.

FORGERY: Falsifying or submitting academic work by forging another person's signature. Penalty may include: lowered academic grade, lowered citizenship grade, and /or legal prosecution as determined by the administration.

TEST/ASSIGNMENT AVOIDANCE: A pattern of absences and tardies on test days is not acceptable. When it has been determined that a student has a pattern of absences and tardies, excused or unexcused, on test/quiz days within a grading period, the teacher will notify the parent of the potential test avoidance problem. At the teacher's discretion, any further test day absence may result in forfeiting the opportunity to make up the test.

A first offense in violation of the Academic Honesty Policy carries the following consequences:
Referral, verified parent contact, as well as possibly a grade of zero on the assignment and a lowered citizenship grade for the grading period in which the first offense occurred.

Any additional offense carries grave consequences:
Referral, verified parent contact, and an academic grade of F and a citizenship grade of U for the semester in which the additional offense occurred. The student may be removed from the class, as determined by administration

THEFT OR ALTERATION OF MATERIALS: Any form of physical or technological theft, concealment, alteration, or distribution of student, staff, or library material. A student guilty of stealing or using stolen materials or of altering test or class materials may face suspension, removal from class with a failing grade, removal from MMHS, or all of the above.

MMHS TITLE I PARENT INVOLVEMENT POLICY:

An annual meeting will be held to share with parents the Title I program and its requirements.

Filing a Report or Informal Complaint of Discrimination, Harassment, Intimidation, or Bullying Based on Sex

The district believes discrimination, harassment, intimidation and bullying issues may be resolved at the school site. As such, students, parents, or guardians may report any act of discrimination, harassment, intimidation or bullying based on sex (in any area covered by Title IX, including sexual harassment) by a student, staff member or third party directly to the school site's principal for immediate resolution at the school site.

· **Investigation of Reports or Informal Complaints:** The responsible school official will conduct a prompt, thorough and impartial investigation into the complaint which will include, but is not limited to, interviewing the accuser and the accused, asking each to provide names of witnesses, interviewing potential witnesses, and gathering relevant evidence. When sex-based discrimination, harassment, intimidation, and bullying is reported, interim steps will be taken to stop harassment and protect the accuser from further harassment pending outcome of the investigation and/or complaint. A thorough investigation is required to protect the accuser, afford due process to the accused, and to ensure resolution of the issue(s). A student, or parent or guardian, is not required to attempt resolution through the school site before contacting the District Title IX Coordinator. At any time during the process students, parents, or guardians, may contact the Title IX Coordinator to report or file an informal complaint directly with the district at:
