

Proof of Residency

Dear Parents:

To comply with requirements from the State of California, schools are required to have on file proof of household address documentation for each student.

Please provide a photocopy of one of the following documents as proof of residency when you return the K-12 Enrollment form. The document must be **within the past 60 day billing cycle**.

- Photocopy of utility bill from SDG&E (electricity), water, cable or phone (landline only, no cell phone).
- Photocopy of mortgage document.
- Photocopy of military housing document.
- Photocopy of documents addressed to you from Welfare or AFDC.
- Photocopy of your property tax payment receipt.
- Photocopy of your lease or rental agreement.

If your family lives with a relative or friend, or is renting a room, the homeowner needs to:

- Complete the backside of this document.
- Provide a proof of residency document in the homeowner's name (see allowable types of documents above).

Thank you for your cooperation.

Jeff Sabins, Principal
