Good Morning!

I attended the February 21, 2024 meeting of the DAC.

Ryan Brock, SPSA Department, along with Sarah Matthews spoke on "The Introduction to the Fast Scores".

The power point above is very informative.

Erika Simmons joined in to give all the numbers and charts meaning and clarity.

Staff from this department will visit our schools SSC if we would like more information.

Christine Houston, Labor Relations Specialist, spoke on the difference between the SSC and SGT.

I have always gone by, SSC is for monies and SGT is for rules.

There are many more components to these committees, I am hoping you take time to check out Christine's power point, this gal really knows her stuff!

Pamela King, Program Manager for Family Engagement, always has so much information to share with the group.

Please check out her link, everything from library news, taxes and where to get food!

Pamela gets so excited giving her report!!

There were 90 participants in this zoom meeting with quite a few questions being asked.

Thank You for having me represent your schools,

Debbie
