Principal's Message:

We are all so excited about tomorrow's commencement ceremony. We were reminiscing about June 12, 2020, when we gathered (safely) in the North Parking Lot to celebrate the Class of 2020 with our Drive Thru Commencement Ceremony. Just as the Class of 2020 Commencement was joyous and memorable, tomorrow is sure to be as well.

If you are joining us in person, please be sure to familiarize yourself with all rules and regulations as we don't want you turned away at the gate. You can find all pertinent info in the [Grad Email](#). If you don't have a ticket due to the limited capacity, I hope you will join us via the [Livestream](#).

Next week, we continue with the last two days of school on Monday and Tuesday. We will also continue collecting textbooks and borrowed materials so please encourage your student(s) to return all items (students returning to MMHS or any other SDUSD school should keep their laptops over the summer).

The summer school applications are no longer available for submission, but students can still sign up for summer school both in person at MMHS or online through the school iHigh. Please reach out to your child's counselor to get signed up. Summer school is from June 21-July 30.

MIRAMAR COLLEGE OUTREACH

San Diego Miramar College's Outreach program is hosting a variety of events for prospective students. Explore Miramar is June 16th from 3-3:30 in English and a Spanish session will occur June 29th from 5-6 PM. Attendees will learn about the various programs at Miramar, support services, steps for new students and the Promise program. They are also hosting "A Day in the Life of a College Student" June 17th from 3-4 PM. Here is a link to register for any of these events: https://www.sdmiramar.edu/sites/default/files/2021-06/english_outreach_june_newsletter-min.pdf

SUMMER SCHOOL SCHEDULES

Each host summer school site is responsible for informing students of how to get their schedules or when to log in for online courses. For students who will be attending in person summer school at MMHS, they will receive an email Friday, June 18th about how to get their official schedule and when to report to school. Current summer school information can be found at: <https://sites.google.com/sandi.net/mmhscounseling/2021-summer-school>

SUMMER WORK PERMITS

As a reminder, students who get a job over the summer will need a work permit, and all work permits are being processed at the district offices and not at MMHS. Once students are hired, they need to go to this link to see what steps to follow to obtain a work permit: <https://sites.google.com/sandi.net/mmhscounseling/work-permits>
